LETTER TO THE EXAMINER

Honorable Assistant Commissioner for Patents
Washington, D.C. 20231

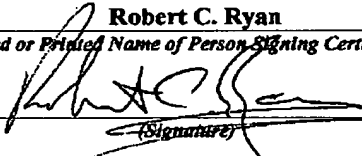

Dear Examiner Vanderpuye:

Confirming my call to your office, the Amendment filed in this case by fax earlier today incorrectly identifies the pending claims and those to be cancelled. The applicant seeks to cancel, without prejudice, those claims that were rejected and accept those (renumbered as 19-21) that were allowed in the Office Action. The applicant apologizes for the confusion brought about by the numbering error in the Preliminary Amendment in this case.

Respectfully submitted,

Robert C. Ryan
